AVBS

Presents
Our new and Improved
**PRIVATE
PUPPY PRESCHOOL®
WORKSHOP**

- Does your clinic offer or plan to offer puppy preschool classes?
- Do your puppy pre-school students receive up-to-date information?
- Are your puppy pre-school instructors adequately trained?
- Is your clinic getting a good return on investment from your puppy pre-school program?

If you answered NO or I DON'T KNOW to any of these questions your clinic will benefit from this workshop.

Our comprehensive workshop focuses on force free training methods & covers the following topics:

- Breed differences in behaviour and body language
- Concepts of learning and socialisation
- Reward based training techniques or other methods
- Behaviour red flags: aggression and anxiety
- Puppy problems in class
- People problems in class
- Food/bowl etiquette
- Preparation for separation
- How to best set up your puppy pre-school class
- Exercises in class and at home
- Common Problems
 - Toilet Training
 - Mouthing and Jumping
 - Barking

Live Puppy participation (if available)
